I Two stories

Read the texts.

- A** Hello boys and girls, I'm Vanessa. I'm from Halle, a town in Germany. Two years ago my family moved from Magdeburg to Halle, because my parents found new jobs here. So I went to another school. All my classmates are interested in football, and many of them play in football teams. I play in the Girls' Junior Team of FC Halle. It's fantastic. My favourite football players are Götze and Schweinsteiger. I've got lots of posters and photos of famous football stars. My mum thinks it's a boys' sport. It's better for girls to read books or learn cooking. But that's boring for me.

- B** Hi. My name is Wynona, I'm 13 years old and I'm a pupil at Redwood School, Manchester, England. We have great sport activities here. My classmates are in basketball, volleyball and badminton clubs. They love it. But I'm no good at sports. In my free time I enjoy reading very much. I'm crazy about J. K. Rowling books. My favourite book is "Harry Potter and the Philosopher's Stone". When I come home from school I just sit on my bed for a short time to read some pages, so I can relax. My parents like reading, too. You can find books, magazines and newspapers everywhere in our house.
