ENGLISCH Wortergänzung

Vorname und Name: _____

Deine Schule: _____

(Bitte in Druckbuchstaben)

Lies erst jeweils den gesamten Text, damit du den Zusammenhang erkennst. Dann sollst du den Text vervollständigen, indem du die fehlenden Wortteile einträgst. Achte dabei auf korrekte Rechtschreibung und Grammatik. Wenn du einmal eine Lücke nicht schließen kannst, gehe zur nächsten. Möglicherweise gelingt es dir dann nachträglich, die Lücke zu schließen.

Merke bitte: Wo immer im Text eine gestrichelte Linie erscheint (z. B. „geist _ _ _“), fehlt ein Teil des Wortes. Ein Strich entspricht einem fehlenden Buchstaben oder einem Apostroph. Die Lösung in unserem Beispiel könnte also lauten: „geist yoll“, nicht aber „geistreich“ oder „geistig“.

Richtzeit für diese Aufgabe: 30 Minuten

Maximale Punktzahl: 20 Punkte

Zahl der Lücken: 80

Good luck!
