II Reading Comprehension: Emma's Hobby

Read the following article.

Emma King goes to Brighton Comprehensive School. At the end of Year 7 when she was 11 years old they had an animal project in Biology. She visited a home for animals for the first time and that was the beginning of her great hobby. She did not have her own pet at home because her rabbit Daisy died when she was nine years old. Her parents did not want a new pet in their small flat.

After the project Emma decided to care for a little dog named Clumsy at the animal home. Emma loves the quiet one-year-old dog. He has soft brown fur and a very short tail. He is so clever but really shy. Clumsy's old owner hit him several times and so the dog is scared of people. He came to the animal home with a broken leg eight months ago.

Now Emma visits the animal shelter every day, even at the weekends. She feeds Clumsy and goes for a walk with him in the afternoons. Every Wednesday and Saturday Emma helps to clean the cages of the dogs and cats. It is a lot of work, but a lot of fun as well.

a) *Answer the questions below in ca. 1 to 8 words or in numbers.*

1 Why did Emma first go to a home for animals?

2 What happened to her pet?

3 What did Clumsy's owner do?

4 When does Emma go to the home for animals?
